Potentate's Message

Greetings my fellow Nobles:

Wow, we are at the start of another year. I hope all of you had a good New Year celebration and are looking forward to another year in the Shrine. I would like to take this moment to thank our past Potentate Illustrious Mario Reyes for his contributions in 2011.

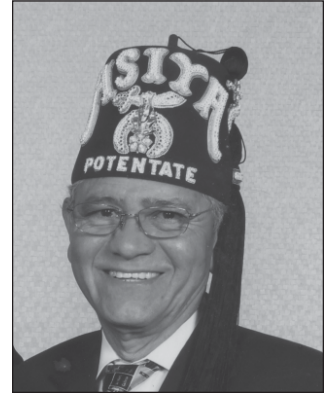

The year has started off great and I hope some of you had the opportunity to attend some of the past events like the Rod & Gun Crab feed, and those lucky enough to attend the East/West Game. If you didn't see the game live, maybe you got to enjoy it at the Sections Crew's Tailgate Party. These events were just a warm up to the exciting year we have planned. I hope that you all will have the chance to participate in many of the events that the clubs and units have planned, not to mention the events that our own Temple will sponsor.

Please keep in mind some of the following dates, and, just in case you didn't get to go to the Tailgate Party, not to worry, as the Section Crew is hosting another football event, on Sunday, February 5th. They are planning a Super bowl Party, which is always a good time.

There are a few dinners that will be coming up. February 9th is the Nile Supreme Queen's Visitation Dinner. On February 11th is the Rod & Gun Valentine Dinner and finally on February 14th will be the Arabians Valentine Dinner. More information to these and other events you will find in this Salaam.

I can't wait to jump in and get started serving the Asiya Shrine, and I will serve the Temple to the best of my abilities. I am looking forward to all of the visitations and get-togethers. Lastly, I want to remind everyone that we are all in the Shrine to help and provide service for children around the world through our constant efforts within our hospitals. I believe this will be a very successful year. Let the good times begin!

From the Recorder

We had an eventful January. Some of your Divan attended the Aahmes and Ben Ali Presentations. For those of you who are not familiar with the term Presentation it is the similar to our Mass Installation where all the Divan members, Club Presidents and often Past Potentates are escorted with their ladies and introduced.

In the past all of the units and clubs held separate installations of officers, and needless to say the Divan was very busy during the first quarter of the year. It was Noble Carl Rothblum who suggested that we hold a Mass Installation of Units and Clubs and that tradition has been with us ever since.

Our Section Crew will be having their third annual Super Bowl Crab Feed on Sunday, February 5. Full information is in your January Salaam. The Asiya Rod & Gun Club is scheduled to have a Valentine's Day Dinner here at the Shrine Center on February 11th. Our Arabians will be having a Valentine's Dinner for their stated meeting on Tuesday, April 14, The Patrol will be having their annual Roll Call on February 16th, and finally, there will be a DUCS meeting on February 18th with a Nomads Crab Feed to follow.

Finally as a "point of interest" does anyone want to start up a Wednesday card playing session here at Asiya. The space is available, and the price is right (if you don't lose). We also have a good pool table if you want to indulge.

Yours in the Faith,
Nolan Katz, P.P.

Remembering Why I Became A Shriner

By Randy Rudge, Membership Development Director, Shriners International

If you were asked, "What does your Shriner membership mean to you," how would you respond?

A few years ago, I was asked to do a Shriner membership presentation. I worked for months preparing what I would say and do. But, the night before the presentation I realized that it was nothing like I wanted it to be. So I decided I wasn't going to do a presentation at all. I was going to listen. At the beginning of each workshop, I had each member think about and write down why he became a Shriner. Then, I asked each to write his two proudest moments as a Shriner. I realize that for many it was hard to pick just two, but I wanted the first two memories that came to mind.

What the attendees didn't know was that each of them was going to share what he had written. That became the most inspirational workshop I have ever participated in. What we heard were the true tenants of Freemasonry and the principles of our Shriners Creed. While there were inspiring stories regarding the children we serve in our hospitals, many of the stories dealt with the brotherly love and fellowship that are only achieved by being a member.

When I think back about my membership, I think about the incredible friends I have made and how they have become my extended family. How they have lent a hand and listened when I was in need, shared a laugh, dedicated their time and made me their friend.

But most of all, I think of my membership as an incredible bond between me and my father. I remember the pride he expressed when I became a Shriner, all the responsibilities I took on, and the endless discussions with our mutual friends. And the fun we had together.

My dad passed away four years ago on March 6, after a long illness. During his illness, he had not been out of the house for many months, but he decided to attend a Shriners' function. At the event, we sat him in a chair and noble after noble came up to him to shake his hand and say hello. Dropping him off at his home later that evening, I gave him a hug and said goodnight. I will always remember him looking back at me with tears in his eyes and thanking me. That was the last time he went out in public.

After listening to many stories similar to mine during the workshop, I asked the attendees what they learned from the exercise. What they said was that they experienced a lot of emotion, pride, love and fellowship in that room.

My message is simple: As Shriners and leaders, it is our responsibility to guide others so that they achieve the same emotion, pride and fellowship we experience as Shriners. When we do, our organization will prosper.

Now, I ask each of you to write down why you became a Shriner and your two proudest moments as a Shriner. If you would like to share your story, please e-mail me through Feztivities.

Thank you all for being Shriners.

Sacramento DJs Help Raise over \$20,000 for Shriners Hospital

—The Sacramento Chapter of the **American Disc Jockey Association (ADJA)** recently hosted its 4th annual “*Cool California Nights Gala*” charity dinner dance and its 1st annual charity Golf Tournament at **Granite Bay Golf Club** and raised \$20,587.70 for **Shriners Hospital for Children Northern California!**

The Shriners Hospital, in addition to its mission of research in specialized healthcare, provides the gift of medical care to children under age 18 years with orthopedic disabilities, spinal cord injuries and burns. The hospital primarily relies on the generosity of the public to pay its bills.

This check was presented on November 12, 2011, at the hospital. Pictured left to right are JD Firestone (Sacramento ADJA Chapter Secretary), Brad Cady (Head Golf Professional, Granite Bay Golf Club), Dr. Joel Lerman (MD, Orthopaedic Surgeon at Shriners Hospital) and Randy Bartlett (Sacramento ADJA Chapter President). Thanks to all of those who came together to make the event a huge success, exemplifying ADJA's motto “*If We Work Together, Imagine What We Can Do!*”

Hello, Ladies, Nobles, and New Readers to this column,

Congratulations to Illustrious Mario Esquivel, newly installed Potentate of Asiya Shriners, and First Lady Gloria as you begin what promises to be a busy and eventful 2012. We look forward to sharing many enjoyable moments with you and the Nobility in the events you have planned for the year.
